Club & Community News

Our Dental Clinic was held this past Saturday 5/4, at Oberle Gym, with 88 patients seen (both elementary students and some parents). This year, pre-dental UCI students had an opportunity to experience what their professional lives will be like. Five (5) dentists from both Northern and Southern California volunteered to actually perform the dental services, ranging from cleaning, filling of cavities, to x-rays, to extractions! We Rotarians provide burger lunches and with help from Sheila Jordan and AVID students help keep the younger children busy in the “kid zone”. Of special note was the roasted veggies provided by Kevin & Lorraine – a delicious add-on!

The ribbon-cutting ceremonies for the Santa Angelina Senior Housing is on Monday 5/13 at 11:30 am.. Our club was able to help fill the “Welcome Home” kit needs, most of which was delivered on Tuesday 5/7. Teri Niebuhr was thrilled with our contributions.

The Chamber’s annual 1st Responders Recognition Breakfast will again be held on the streets of Old Town, on Thursday 5/30. t Alice is circulating a sign-up sheet (\$40 each).

Last Week's Program

Club Assembly

President Turgut Cakiraga led a discussion of our upcoming events during last week's Club Assembly.

Lisa provided an overview of the plans for our Cowabunga fundraiser, scheduled for Saturday 9/7. Sponsorship forms have been updated, and will be made available soon. Solicitations for silent auction items are underway, with various tickets and gift cards already received. Members are requested to seek gift cards for the Treasure Chest, to help provide leads for sponsorships, and to serve in whatever capacity they are able to help make this a successful fundraiser.

LOT318's Good Life Celebration will be at the Whitten Center & McFadden Park on Saturday 5/25 (Memorial Day weekend). We will have an information booth at the event, noon to 5:00 pm.

We will be holding interviews of our scholarship applicants during the week. The scholarships will be awarded at the Senior Awards ceremonies at El Dorado and Valencia, and at graduation for El Camino Real.

The California Celtic Festival is moving to Placentia! It will be at Kraemer Park over Father's Day weekend. This is a family event, from noon to 9:00 pm. We plan to host an information booth.

Gentle reminder: This Sunday is Mother's Day! Since the mid-1800's, various people (mostly women) have tried to garner support for a special day to recognize and honor mothers. Sporadic celebrations were set aside in a few communities and churches. In 1910, Anna Jarvis' campaign resulted in the official declaration of the holiday by the state of West Virginia; other states soon followed suit. On May 10, 1913, the US House of Representatives passed a resolution calling on all federal government officials to wear a white carnation in honor of Mother's Day. The following year, the observation of Mother's Day was designated as the second Sunday in May.
