Club & Community News

Our September evening social

A second Peer Support fundraiser at Broken Timbers this past Thursday, with games of Bingo to add to the fun! The Peer Support group helps to promote the well-being of our emergency response personnel – mentally, physically, and emotionally. Look to supporting similar future fundraisers!

The State of the City Address luncheon will be this Thursday 9/26, at Alta Vista CC. We have 12 of us planning to attend under the Rotary banner.

Our next big event will be Heritage Day, set for Saturday 10/19. We cook & serve a pancake breakfast in the Parkview parking lot, and the Club and Interact presidents ride in the parade. A shift sign-up sheet will begin circulating later this week. Also, both the Interact President and Rotary President will be in the parade, waving at the crowds from one of the Redman convertibles!
