Please note that this year's PYLUSD State of the District Address has been postponed; new date to be announced later. If you purchased a seat, refunds are being processed.

Our City is again offering CERT training and its Citizens' Academy, both of which are geared to start up in the next couple of weeks. Contact Kelley if you are interested in these courses.

The Chamber and Old Town Merchants is sponsoring a 6-week musical series "Old Town Live – Autumn" beginning Thursday 9/12. As in late-Spring, a different musical group will be featured each week. This is a FREE series.

Last Week's Program

Bianca Saikale

Rotary Exchange Student

Bianca Saikale is a 22-year old, former Rotary Exchange student, originally from Brazil. She now resides in Australia, and is a member of the Rotary Club of Coffs Harbor Daybreak.

Bianca has had quite a journey with Rotary. In 2011, she joined her (Brazil) Interact club, which helped broaden her public speaking abilities, and other interpersonal skills. In 2016, she was selected as for the Rotary Exchange program to Australia. In 2019, she was selected for another Rotary Exchange program, this time to Germany. Since then, a planned 3-month visit to Mexico became a 3-year visit. She also fell in love with Australia,

and relocated there, and was offered (and accepted) membership into the Coffs Harbor Rotary Club.

To-date, Bianca has visited 27 Rotary clubs, become adept at 6 languages, and found her passion in helping with the wildlife sanctuary in Coffs Harbor. She has her own design business, primarily focused on animals.

She credits Rotary in having played a significant impact in her life. She has met and appreciates the diversity of peoples and their cultures and languages. Her experiences have helped develop her organizational skills, particularly useful with social projects and fundraising.
