**Club & Community News**

*Another terrific TOPSoccer Festival! Brookhaven Elementary was this year's site, with volunteers from the community, Placentia Police, the Anaheim Hills Rotary, Miss YL and Placentia, and many others pitching in to make the Saturday 7/13 event a fun and lively event. Many thanks to our members Alex Medina, Lisa Pallares, TC, Ward, Kathi & Glenn, and Alice for helping with set-up and monitoring the various activities.*

*There was quite a turn-out for the soccer clinic and for the Police vs players game.*

*We were thrilled to see Shey at our last meeting – can't keep a good person down! She must have been getting antsy sitting and lying around at home following her surgery! Meanwhile, TC had his surgery last week, and is also back at home recuperating and awaiting news from his doctor. Jeff is taking it a little easy, also awaiting his doctor's update. Please keep these members and family in your thoughts.*

*We have a lead on a fruit harvesting opportunity, with the fruits requested to be delivered to Santa Angelina. Keep your eyes peeled for an update as to date, time and place!*

*District Governor Chris Skorina will make his official club visit on August 7<sup>th</sup>. Please try to clear your schedule to attend!*

**RI and District News**

A multi-club social is coming soon! On Friday 8/9, at Broken Timbers in Old Town Members and friends of the Rotary Clubs of Yorba Linda Sunrise, Brea, Anaheim Hills, NEOC, and Placentia will gather at Broken Timbers in Old Town Placentia on Friday 8/9 at 6:00 pm for some fellowship, brews/seltzers, and appetizers – with a mini-contest for best crockpot appetizer!

The District is hoping to expand recognition of September as Service Club Month, with a kick-off tailgate party at the Big A at Angel Stadium, followed by the game Angels vs Seattle Mariners. It is hoped that other service organizations (Lions, Elks, Kiwanis) will join in the festivities. We are requesting

the Placentia City Council to again issue its proclamation of this designation.
